FOR KIDS

social beginnings

Telehealth

Social Beginnings through Telehealth

4 Amazing Programs:

Groups are based on age and skills level

Beginner (early learners):

- Ages 3-5, circle time, story time, peer interaction

Intermediate:

- Ages 4-9, cooperative online game play, share with peers, stay focused on an activity, interact with peers, take turns

Advanced:

- Ages 6-12, favorite games and platforms, build peer conversation, share interests, cooperate with each other

Teens:

- Ages 12-17, peer- to-peer conversations, sharing and discussing interests, internet game play, appropriate online behavior, social problem-solving

Sample lessons include:

- Circle Time
- Story Time
- Cosmic Yoga
- Bingo
- Games
- Jeopardy
- Science Experiments
- Movement Empowered Activities
- Problem Solving Activities

*Access to the above programs are dependent on insurance authorizations. We are monitoring developments as more insurance companies are relaxing their restrictions to allow for telehealth. Verbal Beginnings is committed to delivering these medically necessary services and supporting our families in this time of need.
